If I were a butterfly
I would be thankful
For my wings.
If I were a myna in a tree
I would be thankful
That I could sing.
If I were a fish in the sea
I would be thankful
That I can wriggle and giggle with glee.

So, I just think I am lucky to be “me”.
Not “you” but “me”.
If I were an elephant
I would be thankful
That I can raise my trunk.
If I were a kangaroo
I would try to hop
Right up to the moon.
If I were an octopus
I would be thankful
For my eight arms.

So I just think I am lucky to be “me”.
Not “you”, but “me”.
What do you think you want to be?
Do you want to be like me?
Or just you? Just you...

I WANT

“I want to be big,” says Little Monkey. “I want to be strong.”

A wise woman hears him. “Take this magic wand,” she says, “and all your wishes can come true.”

A giraffe comes by. He stretches his long neck. He eats the sweet leaves at the top of the trees.

“I want a long neck,” says Little Monkey.

“POP!”

His neck grows long, just like the giraffe’s.

Little Monkey is happy.

An elephant comes down to the river.

He fills his trunk with water. He blows it all over himself. “I want to do that too!” says Little Monkey. “BANG!”
Just like that, he grows a trunk.
He is very happy.
“This is fun!” he says.

Next, Little Monkey sees a zebra. “I want stripes like those,” he says. “WHIZZ!”

Little Monkey has stripes all over his body, just like the zebra.
He is very, very happy.
He goes to the river to try out his new trunk.
He looks down.
He sees himself in the water.
“Mother!” he cries. “Help! A monster!”
“That’s not a monster,” says his mother. “That’s you.”

“You want a giraffe’s neck, an elephant’s trunk and stripes like a zebra. Don’t you remember?”
Little Monkey cries and cries.
“I look AWFUL!” he says.
“I want to be myself again.”

There is a POP, a BANG and a WHIZZ.
Little Monkey is himself again. He jumps for joy.
He throws the magic wand into the river.
He never wants to be anyone else again.

**Unit 2**

Unit 2 is an opportunity to share with children feelings that we can all be happy being what we are. Little children feel joyous when they are told how good they are, so use this Unit to make every child of your class feel special.

Share this verse with the class after the activity –

“So what if they are dark or fair,
So what if they are tall or small,
So what if they are ‘this’ or ‘that’,
They are your children,
And you love them for what they are.”
This is the thought that needs to be nurtured.

The movements, actions, activities of different animals/birds can be discussed. Poems in their mother tongues can be recited.

**Develop listening skills**

In this Unit involve the children in playing a ‘silence’ game. Let them all be gently guided to listen (to the sound of the fan, rustling of leaves), imagine (how the wind makes a noise/what the leaves are saying) and then speak (what they listened to or imagined).

The focus is to develop in children a habit for listening. During the morning assembly, practise rhymes with actions. If possible, practice of *sargam* (music) / breathing exercises too can be introduced.

**Develop vocabulary**

Put up sight words like butterfly, myna, fish, elephant, candle, kangaroo, octopus in a rebus form (i.e. words + pictures)

- The children should be introduced to more collective nouns, for e.g: an army of ants, a bunch of flowers...
- More exercises are to be given on punctuation.
- Give children more practise by giving new words for making plurals.
Exposure to language

- Let children build words related to what they like about their friends e.g., when having a game where they can describe other children, e.g., Sunil is so tall/Rahim is really good. Keep adding names of children and then have a class activity for the same.

<table>
<thead>
<tr>
<th>Name</th>
<th>What I like about him/her</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td></td>
</tr>
<tr>
<td>2.</td>
<td></td>
</tr>
<tr>
<td>3.</td>
<td></td>
</tr>
</tbody>
</table>

- However, now it is time to expose children to listen to two or more sounds to make words more systematically, e.g., when we bring 'a' and 't' together, we make a family of 'at' words. After making the concept clear in their minds, we can show them how to make three-letter words with 'at', for e.g., a class game of making new words with 'at' (bat, cat, fat, rat) can now be continued. Keep adding to the list of words (ab, ad, ag, am, an, as, et, ed, eg, en, ot, ob, od, og, op, it, ib, ig, in, ip, ug, ub, ut…) More can be added.

Develop writing skills

Unit 1 and 2 are an opportunity to revise the writing skills of Book One. It is also time for children to listen words pronounced by the teacher (as in apple) and create pictures (which can then lead them to sentence formation).

Develop the ability to follow directions

Have the children describe what they see in the top, middle and bottom shelf of a school cupboard. If you do not have a cupboard, let the class be involved in drawing or making one with a cardboard box and then paint the top shelf yellow, the middle – red and the bottom shelf – blue.
