Let’s move in different ways and see who has the most fun!

**How Creatures Move**

The lion walks on padded paws,
The squirrel leaps from limb to limb,
While flies can crawl straight up a wall,
And seals can dive and swim.
The worm he wiggles all around,
The monkey swings by his tail,
And birds may hop upon the ground
Or spread their wings and sail.
But boys and girls
Have much more fun:
They leap and dance
And walk and run.

**New words**
