THE YELLOW BUTTERFLY

A yellow butterfly flew around in Sonu’s garden.
Sonu saw the butterfly. He ran to catch it.
The butterfly flew to the rose bed. It sat on a red rose.

“Now I can catch it!” said Sonu. He walked slowly and silently to catch the butterfly. He came closer, closer, and still closer, but then...

Off flew the butterfly!

Where did the butterfly go?
Near the garden was a pond. In the pond was a white lotus. Around it grew round leaves. They floated in the water.

The butterfly sailed on a floating leaf.
Sonu went splash into the water and...

Off flew the butterfly!

Where was it? Sonu looked up, he looked down. Near the wall was a peach tree. It had pink flowers. The butterfly sat on a pretty flower.

“I can catch you!” shouted Sonu. He climbed up the tree. Up, up he climbed, but....

Back it flew, down from the tree.
Sonu jumped down too. He chased the butterfly,

From the rose,
to the lotus, and,
Up the peach tree, but...
He could not catch the butterfly.
Sonu could not see it at all. He looked everywhere. At last he saw the butterfly.

There was a big spider's web in the peach tree. The butterfly was caught in the spider's web. It looked sad as it tried to escape. It fluttered its wings. It twisted and turned. But it could not escape. The spider’s web held it tight.

Poor butterfly!
In the middle of the web was a big spider. It looked hungry. It wanted to catch the butterfly.
Closer and closer crawled the black spider.
Before the hungry spider could grab it, Sonu ran and... he caught the butterfly!

It was so pretty. It had brown spots on its yellow wings. Sonu loved the little butterfly. But it looked sad in Sonu’s hand. Sonu wanted it to be happy.
“Go,” said Sonu, “Fly away!”

He let the butterfly go. It sat on the red rose. It flew to the peach tree and then sailed on a lotus leaf. It flew merrily from flower to flower.

Sonu watched it fly and fly.

The butterfly flew all around Sonu’s garden....happy and free once again.

SUGGESTIONS FOR CLASSROOM TEACHING
- With a new poem, ask children to remember words and outstanding lines. While reading, let children look for lines they like best, enjoy them and make a picture of them “in their minds”.
- You can bring a packet of brightly coloured balloons and thread to class. Take the children out into the playground. Let each child blow one balloon and tie it tightly with a piece of thread. Now let them leave the balloons and watch them fly up with the breeze. Talk about how high they will fly in the sky. Talk also about the other things one can see in the sky including birds, butterflies, balloons, clouds etc. and their different colours.
- The story must be read in a clear voice, and appropriate expressions so that it is told well and will live in the memory of the children.
- Take children outdoors if possible, where they see butterflies on flowers and tell them about how they feed on nectar. Draw the body of a butterfly on the blackboard. Talk to the children about its different parts.
- Paper folding activity: Give every child a square piece of paper. Let them colour it with dots and lines before making a butterfly.
- Help children to make colourful balloons by cutting pictures from old magazines and newspapers. They can stick these on chart papers and put them up in the class.
- Help children to find out the colours in the maze by reading the letters vertically and horizontally.
- Explain the difficult words in the text. You can supply pictures for them. Write new sentences on the blackboard. This way you can also teach words and spaces and later a long word, a sentence etc. Jumbled sentences can be presented in some attractive way to be corrected by the child.
